

WHAT TO KNOW BEFORE YOU GO

INTERNATIONAL CRICKET 2015-16

CRICKET
AUSTRALIA

Did you know?

Many venues have water bubblers

so you can keep hydrated for free throughout your day at the cricket.

You can pack your own food and even your own sealed unopened drinks,

for your day at the cricket (just leave the alcohol, glass, and cans at home).

You can enjoy your day at the cricket however you choose,

with dry zones, family zones, and fan zones available at venues throughout the season.

The KFC T20 INTL matches are all double headers,

with the three time ICC World T20 Champions the Commonwealth Bank Southern Stars taking on the Indian Women's Team.

Entry level prices are either the same price or cheaper than last year for International matches this season, and you can get the best price by pre-purchasing online rather than at the gate.

(excluding Twilight Tickets for the Commonwealth Bank Day-Night Test in Adelaide).

A day at the cricket with the family is great value this summer, with kids getting free entry to all KFC T20 INTL matches and Toyota Family Day (Day 3 of each Commonwealth Bank Test) offering a four person Family ticket for just the price of two adult tickets. Make sure you book your children's tickets/family passes at the same time so you can be seated together.

If you want to have the best chance of watching the cricket in shaded comfort, consider purchasing a Gold or Platinum ticket.

After record attendances during the 2014/15 season and a stadium experience like no other, cricket returns to Adelaide Oval for the 2015-16 summer of cricket. It was a Test match to remember last year as Nathan Lyon spun Australia to an historic and emotion charged victory late on day 5.

The Aussies will do battle in the Commonwealth Bank Test Match in what is now one of the highlights on Adelaide's social calendar. The city will come alive along the riverbank precinct and surrounding areas and fans from all over the country will come and enjoy this great event.

The Adelaide Strikers were one of the success stories of BBL|04 as a record number of fans flocked through the gates to watch their entertaining brand of T20 cricket. The Strikers set a BBL record, domestic T20 record and attendance record at the redeveloped Adelaide Oval when 52,633 fans watched the BBL|04 semi-final. With recruits like the explosive Kieron Pollard, bit-hitting opener Craig Simmons and the experience of Brad Hodge all returning, the Strikers will look to go one step further in BBL|05.

The WACA ground has been the home of cricket in Western Australia since the early 1890s. The first Test match was played at the ground in 1970. The pitch at the WACA is regarded as one of the quickest and bounciest in the world. These characteristics, in combination with the afternoon sea-breezes which regularly pass the ground, have historically made the ground an attractive place for pace and swing bowlers.

Manuka Oval is the home of Cricket in the ACT. The picturesque tree lined ground hosted its first game of cricket in April 1930 and has continued to grow since then. The most recent upgrades to the facility in 2012-13 included the installation of six broadcast quality light towers and a sports playing surface and new wickets to ensure that the venue not only maintains its position of home of Cricket in the ACT and region but continues to grow as an international venue. With increased seating capacity and improved spectator amenities, Manuka Oval continues to delight players and spectators alike.
